Feb. 5 is the Last Day to Register to Vote for the Presidential Preference & County Primaries

GILES COUNTY Tenn. – Giles County residents must register to vote by Feb. 5, 2024, to cast their ballots in the March 5 Presidential Preference Primary and County Primary Elections.

“If Giles County voters have not already registered, we encourage all eligible residents to do so,” said Zena Dickey, Administrator of Elections. “Registering to vote and casting your ballot ensures your voice will be heard.”

Early voting begins Feb. 14 and runs through Feb. 27, 2024. The deadline to request Absentee Ballots has also been set for Feb. 27, 2024.

Tennesseans can register to vote, view a sample ballot, determine polling locations, see voter ID requirements, and important election dates — including the start of the early voting period by downloading the [GoVoteTN app](#).

“I encourage all Tennesseans to register to vote or ensure their registration is up to date before the deadline,” said Secretary of State Tre Hargett. “It is important for all of us to make our voice heard at the polls and with our convenient online voter registration system, you can safely register in minutes.”

Paper voter registration applications are also available to download on [GoVoteTN.gov](#) or at the Giles County Election Commission office. Completed paper voter registration applications must be mailed to the Giles County Election Commission or submitted in person.

The Giles County Election Commission is located at 222 W. Madison St., Pulaski, TN 38478. If you are mailing your registration, please send it to P.O. Box 678, Pulaski, TN, 38478. Voters can drop off completed registration forms or register in person Monday-Friday, 8:00 a.m. to 4:00 p.m.

Voters should be proud that the Heritage Foundation ranks Tennessee number one in the nation for election integrity, and the Secretary of State’s office is also Tennessee’s trusted source for all election information — including the GoVoteTN app.
